What is Takeda Oncology Here2Assist®?

Takeda Oncology Here2Assist is here to help you learn more about your medicine and discover if you might be eligible for financial assistance. Through Takeda Oncology Here2Assist, you can also access additional services and resources to help you throughout your treatment.

Takeda Oncology Here2Assist is a comprehensive patient support program that includes:

ACCESS SUPPORT

- ▶ Working with your insurance company to help you get started on MIMRYLO
- ▶ Helping to fill and ship your prescriptions through a network of specialty pharmacies*

NURSING SUPPORT SERVICES

- ▶ Providing one-on-one nurse-led self-injection trainings where you can receive expert guidance and support from one of our Nurse Navigators

FINANCIAL ASSISTANCE

- ▶ Identifying available financial assistance that may be right for you

HELPFUL RESOURCES

- ▶ Conducting regular follow-ups for support along the way
- ▶ Sending you status updates and reminders via text message†
- ▶ Connecting you to additional support services and resources

*A specialty pharmacy manages medications for complex conditions that require specialized handling, storage, or administration.

†Patients will need to enroll in the texting program to receive text messages.

What can I expect after being prescribed MIMRYLO™ (rusfertide)?

Once your healthcare provider has prescribed you MIMRYLO, the next step is enrolling in the Takeda Oncology Here2Assist® Patient Support Program. We offer programs and services that may be able to help with the cost of your Takeda Oncology medication, whether you have insurance or not.

Ready to enroll?

Make sure you have the following nearby:

- 1 Your personal information
- 2 Your insurance card
- 3 Your doctor's information and office address

Enrolling in Takeda Oncology Here2Assist® is simple

Takeda Oncology Here2Assist enrollment can be completed online or by downloading and printing the Enrollment Form to fill out with your doctor.

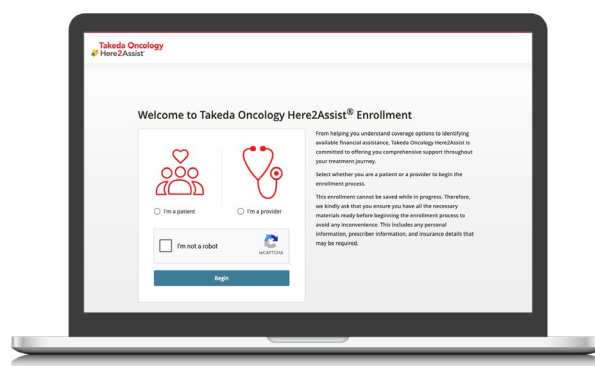

To enroll online:

Visit
www.Here2Assist.com/enroll

Scan QR code to enroll

You can also enroll on www.mimrylo.com

HERE'S WHAT YOU NEED TO KNOW:

- ▶ Select the **"I'm a Patient"** option
- ▶ Remember to keep your insurance card and healthcare provider's details on hand
- ▶ As you proceed through the enrollment website, you will not be able to save your progress, so allow yourself at least 15 minutes to complete your section of the form
- ▶ If you miss a field, the enrollment website will warn you by highlighting missing fields in **red** so you can scroll up and address
- ▶ At the end of the important information section, you will be able to review and edit any information, if needed. Once your review is complete, select **"Next"**
- ▶ Before you complete the Enrollment Form, you must sign to provide your consent to join the program and the services it provides. **This is a very important step. If missed, there could be a delay with enrollment and access to eligible services**

Once you click **"Submit,"** the form is complete. Your healthcare provider will then receive an alert to complete their part of the form.

Enrolling in Takeda Oncology Here2Assist® is simple (cont'd)

To complete the printed Enrollment Form with your healthcare provider:

HERE'S WHAT YOU NEED TO KNOW:

- ▶ Remember to keep your insurance card and healthcare provider's details on hand
- ▶ After you have completed the patient information and care partner information, bring the completed form to your doctor's office
- ▶ Once all fields are filled in, your healthcare provider will submit the completed Enrollment Form to Takeda Oncology Here2Assist to finish the enrollment process

Questions about enrollment?

We're here to help. Let's Talk. Call us at **1-844-817-6468**, Option 2. We're available Monday-Friday, 8AM-8PM ET.

What happens after I enroll?

After enrollment, a Nurse Navigator will...

- ▶ **Welcome you to the program:** Once you are enrolled, a Nurse Navigator will call, text, or email to welcome you to the program, answer any questions you might have, and arrange to ship your Welcome Kit
- ▶ **Provide information about your insurance benefits and out-of-pocket costs:** One of the first things your Nurse Navigator will do is conduct a benefits investigation. They will review your insurance plan to determine if your prescribed medication is covered and what your out-of-pocket costs will be

To see more common coverage questions and find answers, scan the QR code and download the Guide to Understanding Medication Coverage

Models are used for illustrative purposes only.

- ▶ **Help with getting your medication:**
We're here to help you get started on your treatment. Your Nurse Navigator will help by tracking any prior authorizations or appeals your doctor may need to submit to your insurance provider
- ▶ **Schedule injection education sessions with a Nurse Navigator:**
You can connect with a registered nurse for self-injection and/or care partner administration questions. For more information, please visit www.Here2Assist.com/patient/mimrylo or call 1-844-817-6468, Option 2

Alternatively, you can **request a Welcome Kit** on www.mimrylo.com/enroll/patient-support to help you prepare before scheduling injection training with a Nurse Navigator.

What happens after I enroll? (cont'd)

After enrollment, a Nurse Navigator will...

- ▶ **Find financial assistance that fits your needs:** If your medication is covered by your insurance, but you need help with co-payments, the Takeda Oncology Co-Pay Assistance Program may be able to help with your out-of-pocket costs. Visit www.TakedaOncologyCoPay.com to learn more. Terms and Conditions apply*
- If you are uninsured, you may qualify for the **Takeda Oncology Patient Assistance Program (PAP)**. Please see page 11 for more information
- ▶ **Assist with worry-free shipment of your prescription:** A Nurse Navigator will work with a specialty pharmacy to ensure your prescription is processed, filled, and shipped directly to you; or, if in-office dispensing is available, you may also be able to pick up your prescription at your doctor's office
- ▶ **Continued ongoing support and education:** Throughout your treatment, a Nurse Navigator will reach out on a regular basis to follow up

*By enrolling in the Takeda Oncology Co-Pay Assistance Program (the "Program"), you acknowledge that you currently meet the eligibility criteria and will comply with the following terms and conditions:

You must be at least 18 years old, a resident of the United States or a US Territory, and have commercial (private) prescription insurance that does not cover the entire cost of the Takeda Oncology medication. The Program is not valid for patients whose prescription claims for the Takeda Oncology medication are eligible to be reimbursed, in whole or in part, by any state or federal healthcare program, including, but not limited to, Medicare, Medicaid, Department of Defense (DoD), Veterans Affairs (VA), TRICARE, or any state or territory pharmaceutical assistance program. Patients who become eligible for or start using government insurance for their Takeda Oncology medications will no longer be eligible for the Program. The Program is not valid if the entire cost of your prescription is reimbursable by a private insurance plan or other private health or pharmacy benefit programs. You are responsible for reporting receipt of Program assistance to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost, as may be required.

You agree that you will not submit the cost of any portion of the product dispensed pursuant to this Program to a federal or state healthcare program (including, but not limited to, Medicare, Medicaid, TRICARE, VA, DoD, etc.), for purposes of counting it toward your out-of-pocket expenses, and to notify Takeda Oncology Here2Assist® if you become eligible for a federal or state healthcare program that covers your Takeda Oncology medication. This Program is not conditioned on any past, present or future purchase of any Takeda product, including refills. This Program is valid for up to 12 months, and your co-pay card may be renewed every 12 months, subject to continued eligibility at the beginning of each calendar year. This offer is not valid with any other program, discount, or offer involving your prescribed Takeda Oncology medication. This offer may be rescinded, revoked, or amended without notice. This offer is void where prohibited by law, taxed, or restricted. Limit one offer per purchase. No income requirements or membership fees. This Program is not health insurance. Cash value of 1/100 of 1c. For questions about this offer, please contact the Takeda Oncology Co-Pay Assistance Program, a patient support service of Takeda Oncology Here2Assist, at 1-844-817-6468, Option 2, Monday-Friday, 8AM-8PM ET.

Getting to know your Nurse Navigator

Who are we and how do we help?

We are here for you throughout your treatment. We can help you find out if you qualify for available financial and support programs that might work for you. We are also available to answer any questions you may have about the injection process.

What services do we provide?

Throughout your treatment journey, we will provide injection education and other program support as necessary. We offer virtual or in-person injection education training to help build confidence for giving yourself shots or having a care partner assist you.

Models are used for illustrative purposes only.

Our training will review:

- ▶ Injection technique
- ▶ Site rotation
- ▶ Disposal
- ▶ Device and injection issues you may have

We will also help you order your medicine from the specialty pharmacy to make sure that it arrives before your scheduled training.

If you would like to learn more, please call 1-844-817-6468, Option 2, to speak with a Nurse Navigator.

What if my insurance doesn't cover the full cost of MIMRYLO™ (rusfertide)?

If you need assistance affording your medication, Takeda Oncology Here2Assist® can help identify eligible financial assistance programs that may be able to help you with the cost of your treatment.

Takeda Oncology Co-Pay Assistance Program

If you have commercial insurance and are concerned about your out-of-pocket costs, the Takeda Oncology Co-Pay Assistance Program* may be able to help reduce the out-of-pocket costs associated with your medication.

How to enroll

- ▶ Scan the QR code or visit **www.TakedaOncologyCoPay.com** to get started. Follow the instructions provided to learn if you may be eligible and to enroll in the program
- ▶ Upon enrollment, you will receive a co-pay card electronically, as well as in the mail
- ▶ Your card will be active for a 12-month period and can be renewed on January 1 of the new calendar year with continued program eligibility

MIMRYLO Continuity Bridge Program (MCBP)

For patients with a temporary gap in commercial coverage (insurance transition, coverage loss, or delays through insurance claims):

The MCBP offers MIMRYLO at no cost for up to 60 days.

Eligibility†:

 You must have been on MIMRYLO prior to coverage loss

 MIMRYLO coverage was from a commercial health plan

Terms and Conditions apply.

*By enrolling in the Takeda Oncology Co-Pay Assistance Program (the "Program"), you acknowledge that you currently meet the eligibility criteria and will comply with the following terms and conditions:

You must be at least 18 years old, a resident of the United States or a US Territory, and have commercial (private) prescription insurance that does not cover the entire cost of the Takeda Oncology medication. The Program is not valid for patients whose prescription claims for the Takeda Oncology medication are eligible to be reimbursed, in whole or in part, by any state or federal healthcare program, including, but not limited to, Medicare, Medicaid, Department of Defense (DoD), Veterans Affairs (VA), TRICARE, or any state or territory pharmaceutical assistance program. Patients who become eligible for or start using government insurance for their Takeda Oncology medications will no longer be eligible for the Program. The Program is not valid if the entire cost of your prescription is reimbursable by a private insurance plan or other private health or pharmacy benefit programs. You are responsible for reporting receipt of Program assistance to any insurer, health plan, or other third party who pays for or reimburses any part of the medication cost, as may be required.

You agree that you will not submit the cost of any portion of the product dispensed pursuant to this Program to a federal or state healthcare program (including, but not limited to, Medicare, Medicaid, TRICARE, VA, DoD, etc.), for purposes of counting it toward your out-of-pocket expenses, and to notify Takeda Oncology Here2Assist® if you become eligible for a federal or state healthcare program that covers your Takeda Oncology medication. This Program is not conditioned on any past, present or future purchase of any Takeda product, including refills. This Program is valid for up to 12 months, and your co-pay card may be renewed every 12 months, subject to continued eligibility at the beginning of each calendar year. This offer is not valid with any other program, discount, or offer involving your prescribed Takeda Oncology medication. This offer may be rescinded, revoked, or amended without notice.

This offer is void where prohibited by law, taxed, or restricted. Limit one offer per purchase. No income requirements or membership fees. This Program is not health insurance. Cash value of 1/100 of 1c. For questions about this offer, please contact the Takeda Oncology Co-Pay Assistance Program, a patient support service of Takeda Oncology Here2Assist, at 1-844-817-6468, Option 2, Monday-Friday, 8AM-8PM ET.

†Additional eligibility requirements apply.

What if my insurance doesn't cover the full cost of MIMRYLO™ (rusfertide)? (cont'd)

Takeda Oncology Patient Assistance Program

If you do not have insurance or the prescribed medication is not covered by your insurance, you may be eligible to receive your medication through our Patient Assistance Program* at no cost to you.

- ▶ **To learn about the program, including eligibility and how you can enroll, visit www.Here2Assist.com/patient/mimrylo**

If you qualify for the Takeda Oncology Patient Assistance Program, you may be enrolled for up to 1 calendar year. Upon enrollment, a Takeda Oncology Here2Assist® Nurse Navigator will notify you and your healthcare provider. A 1-month supply of your medication will be delivered to you at no cost. Each month, a Takeda Oncology Here2Assist Nurse Navigator will reach out to you to confirm that you are still being treated and are eligible to receive another month's supply of your medication. **It is very important that you answer the call to prevent any delays in receiving your medication.**

For patients with Medicare/Medicaid coverage:

If you have insurance through a government-sponsored program like **Medicare, Medicaid, or TRICARE**, you may have the option to work with organizations who are knowledgeable about covering the costs of specialty medications. Nonprofits, social workers, and third-party programs such as Medicare's "Extra Help" program may be able to support you in finding ways to lower the cost of your Takeda Oncology medication.

Below are some links to government-sponsored programs and nonprofit organizations with information about paying for your medication:

- ▶ Medicare Part D Extra Help Program ssa.gov
- ▶ Patient Advocate Foundation patientadvocate.org
- ▶ American Cancer Society cancer.org
- ▶ Cancer Care Financial Assistance Program cancercare.org
